Ms. Jaffe,

Thank you for your question as outlined below.

In fact, you (correctly) moved Dr. Stanton's prefiled direct and surrebuttal testimony into the record as if given orally from the stand, such that it will be physically inserted into the transcript of record. Dr. Stanton's (direct) exhibits were marked and received in evidence as Hearing Exhibit 42. The confidential versions of both the direct testimony and EAS-6 and -8 will be maintained under seal due to their confidential nature.

If you need further confirmation from the reporter herself, I feel sure she can provide that to you, as she is preparing the transcript at this time. I gathered my information from the livestream recording and Mr. Butler's exhibit list, however, so I feel certain of its accuracy.

Let me know if there's anything further we can help you with, and I appreciate your checking on this as soon as the question came up!

Very best,

*~Jo*

**Subject:** [External] Re: Exhibit List - DN 2020-125-E

Good Morning,

I apologize for not catching this sooner, but it appears that Dr. Liz Stanton's pre-filed sur-rebuttal testimony was left off the exhibit list. Her prefiled Direct was marked as Exhibit 42 and her pre-filed sur-rebuttal should have been marked as Exhibit 43 (filed on December 17, 2020, 11 pages).

I specifically recall introducing and asking for her sur-rebuttal testimony to be marked and admitted. Since all testimony has already been marked and numbered sequentially, in order to avoid renumbering everything, could Dr. Stanton's sur-rebuttal be included as a part of Exhibit 42 or perhaps Exhibit 42A (or some similar designation)?

Thank you  
dori
